GUEST LECTURE ON 'INNOVATIONS IN EDUCATION'

Army Institute of Education (AIE), Greater Noida organized Guest Lecture on the theme "Innovations in Education". The lecture was conducted on 13 September 2018 at AIE by Dr. Dhananjay Joshi, Professor, School of Education, GGSIP University, Delhi.

Dr. Tania Gupta, Principal, AIE welcomed and felicitated Prof. Joshi. During his insightful lecture, Prof. Joshi traced the innovations in education since the ancient period to the ICT enabled education in the twenty first century. He focused on the crucial role of a teacher in fostering educational innovations to promote student learning. He emphasized that teachers need to be continuously engaged in the process of enhancing their knowledge and skills. Furthermore, during his lecture he spoke on the integral role of nurturing values among children right from their early years of learning.

Prof. Joshi addressing the student-teachers.
