AIE CELEBRATES NATIONAL PRODUCTIVITY WEEK

Army Institute of Education, Greater Noida organized a session on 'National Productivity Week' on 12 March 2019. This year National Productivity Council celebrated the National Productivity Week from 12 February to 18 February 2019. This year the theme was 'Circular Economy for Productivity and Sustainability'. It says that circular economy has the potential to increase productivity and create jobs, whilst reducing carbon emissions and preserving valuable raw material.

The session began at 9:00 am. Dr. Tania Gupta, principal AIE, Faculty members and along with them both the batches 2017-19 and 2018-20 attended the session. There were various events which were being conducted in the session. There was a speech given by Ms Sanju Kumari, student-teacher of Batch 2017-19, which was further followed by the quiz conducted by Ms Vandana, student-teacher of Batch 2018-20 which was based on National Productivity Week.

This session has helped the students to understand the important role being played by National Productivity Council in developing our country's economy.

The session struck a chord with the students as they promised to help in the economy of the country by optimizing the resources in every manner possible and to incorporate them into the fast moving world we are a part of.
