REPORT ON SWACHHTA PAKHWADA **DURING SIP AT ST. JOSEPH'S SCHOOL**

Two competitions namely poster making and essay writing were organised by B.Ed. Batch 2018-20 interns at **St. Joseph's School** on **September 6th and 7th 2019** respectively for the students of class VI-A and VII-A on the account of **SWACHHTA PAKHWADA**. The main aim of the event was to bring out the creative expressions of the students and also to gauge their awareness quotient regarding cleanliness.

The themes taken up for the above were "**WATER CONSERVATION**" and "**BAN ON PLASTICS**". The students displayed their artistic and writing skills through an array of posters and essays on the given topics.

The students were asked to express their ideas through paintings and sketches. Students participated with immense zeal and enthusiasm and made very beautiful posters which gave the message of saving our mother Earth.

It was a great opportunity to watch these young minds trying to create their ideas of a better environment on paper. The competition was really enjoyed by all students.

For the essay writing competition the students were asked to write on the given topic under 150 words. The essay was judged on the basis of the student's vocabulary, presentation and creativity. The purpose of the competition was to encourage the students to enhance their thinking and writing skills. The essays were well written by the students.

The aim of this competition was not merely to see the creative aspect but also to trigger the thought process of the children and sensitize them towards these burning & serious issues.

Competitions of this sort increase the observational skills, response to thoughts, awareness and concern of the children towards global issues.
