AWARENESS CAMP ON CLEANLINESS DRIVE ORGANIZED DURING SCHOOL INTERNSHIP AT JAYPEE PUBLIC SCHOOL, GREATER NOIDA

On 3rd September student teachers of A.I.E performed a skit on **Swachh Bharat Abhiyan** in M.P Hall of **JAYPEE PUBLIC SCHOOL** Greater Noida. The main aim of this skit was to create awareness among students about cleanliness and hygiene. This skit was followed by a speech on cleanliness campaign and its importance.

This skit was performed in morning assembly including few students and then this same skit was performed in nearby school named **BALVADI** of Jaiprakash foundation which is adopted by Jaypee group. This school is basically for underprivileged children to provide them basic education and mid-day meal. We went to this school with school coordinator, school supervisor, few students of school and our group of interns.

The students of that school were very excited for our skit. All of them observed it very keenly. The skit was followed by few questions for them related to what they learnt from skit. They all actively participated in discussion and promised to take initiatives to clean their surrounding and maintain hygiene. It was a great experience to present this skit in front of students.
