## **VIGILANCE AWARENESS WEEK 2019 OBSERVED**

### **DURING SCHOOL INTERNSHIP AT**

### **ST. JOSEPH'S SCHOOL, GREATER NOIDA**

Vigilance Awareness Week (VAW) is being celebrated every year and coincides with the birthday of Sardar Vallabhbhai Patel, known to be a man of high integrity. In pursuit of the vision of the Government of India to make a New India by the year 2022, which is the 75th anniversary of our independence, the Central Vigilance Commission, as the apex integrity institution of the country, endeavors to promote integrity, transparency and accountability in public life.

According to the instructions of the Central Vigilance Commission, the Vigilance Awareness Week was observed, from **28th October to 2nd November 2019**. This year, the theme for Vigilance Awareness Week is '**Integrity - A way of life**'.

The fight against corruption has reached the school classroom. To imbibe a true spirit of learning in the students and to enhance the communication skills in them, an Extempore, was held at **St. Joseph's School** on **6<sup>th</sup> November, 2019** during the third period. It was conducted for class **VIII-F** to sensitize and motivate them towards weeding out corruption. Extempore is one such method which assists the students not only in thinking on their own but also in voicing their creative ideas with precision.

Before starting the extempore the students were briefed by the interns about the topic and the initiative taken by the government. After they were thorough with the topic each participant got one minute to think over the topic. All the participants got another one minute to speak on the given topic only in English.

It was a great learning experience for the students as they learned to express their views and opinions spontaneously. The manner in which the students presented their thoughts and opinions was commendable and praiseworthy.

At the end all the students along with the interns undertook an integrity pledge to support the cause, fight against corruption and to raise public awareness.
