## SCIENCE QUIZ COMPETITION ORGANIZED DURING INTERNSHIP AT HOLY PUBLIC SCHOOL, GREATER NOIDA

On 27<sup>th</sup> September student teachers of Army Institute of Education, Greater Noida conducted the science quiz competition for classes 6 to 8<sup>th</sup> in AV room of **HOLY PUBLIC SCHOOL**. The theme of science quiz competition was **Health, Hygiene & Nutrition**. Teams were arranged according to their houses: Raman, Gandhi, Nehru & Bhagat.

Quiz was planned in three rounds. 1<sup>st</sup> round, MCQ comprised of four questions for each team. 2<sup>nd</sup> round, picture based questions comprised of four questions for each team where students had to identify the diseases. 3<sup>rd</sup> round was the rapid fire round, 5 questions were to be answered in 30 seconds. Each correct answer carried 10 marks and there weren't any negative marks for incorrect answers. Few questions were asked to generate awareness related to hygiene and water conservation. Questions were catering the individual needs of the students and were arousing curiosity and critical thinking amongst them.

Gandhi house was declared as the winner and after declaring the results information was provided to the students regarding water conservation and awareness on Health & Hygiene. Video on water conservation was shown to enhance knowledge and create awareness amongst the students.

Students actively participated in the discussion and promised to take initiatives to conserve water and to maintain hygiene.

The quiz competition was concluded with a vote of thanks from the student-teachers of AIE for the exceptional support provided by the school faculty and the staff members.
