2. When receiving 2 or more offers from schools/organizations that have parallel recruitment process (i.e.) [2 or more schools/organizations on a single day for campus recruitment], the student-teacher will make a decision on accepting 1 of them. This decision is final and binding on the student to maintain professional ethics.
3. Working on a full-time basis during the final semester of the B.Ed. programme may be allowed only under exceptional cases and requires the approval of the Chairman, AIE and recommendation of the Principal.
4. Chairman AIE or his designee on his sole discretion can allow exceptions to the policy requirements.
5. A student-teacher will be allowed to appear in unlimited selection interviews, on-campus or off-campus that are scheduled by the TPC, AIE.
