(15 JAN-25 JAN, 2019)

LECTURE ON 'VALUE ADDED COURSES FOR SKILL ENHANCEMENT'

The Training and Placement Cell, Army Institute of Education, as a part of the Personality Development Programme, welcomed **Ms. Arshia Ismail** (Chief Training and Placement Officer, AIMT, Greater Noida) on 18 January 2019. The topic of the PDP session was "**VALUE ADDED COURSES FOR SKILL ENHANCEMENT**". The session was fully based on orienting the students towards the online courses, which students can apply for, to add a weightage to their Curriculum Vitae. During her lecture, Ms. Ismail enlightened the audience with the significant aspects, which are to be considered while appearing for a job interview.

She shared some relevant and important tips regarding how to carry oneself during an interview. She also suggested the students to investigate about the work environment of the school before looking for the job prospects.

Her session was very interactive, interesting and goal oriented. Students were actively participating in the session and also expressing their views.
