WORKSHOP CONDUCTED AT MODERN SCHOOL GREATER NOIDA ON INCLUSIVE EDUCATION

“Inclusion is a right, not a privilege for a selected few”

On 30.11.19 Dr Sarita Sahay, Asst Prof was invited to conduct a workshop at Modern School, Greater Noida. The Topic was Inclusive Education. It was conducted for twenty eight teaching staffs. Inclusive Education is a new approach towards educating the children with learning disability and learning difficulties with that of normal ones within the same roof. It brings all students together in one classroom and community regardless of their strengths or weakness in any area, and seeks to maximize the potential.

Inclusive Education is about embracing all, making a commitment to do whatever it takes to provide each student in the community and each citizen in a democracy- an inalienable right to belong, not to be excluded. Inclusion assumes that living and learning is a better way that benefits everyone, not just children who are labelled as having a difference. The session came to an end with a questionnaire based on Inclusive Education were distributed to the teaching staffs. All of them showed their active participation in the workshop with a positive response.
