Report on Guest Lecture on Prenatal Development and APGAR Scoring of the Neonate

(29 Jan 2022)

With an awareness to generate awareness among student teachers of both B.Ed. and B.Ed.(Spl. Edn.), on the importance of Prenatal Development and APGAR Scoring of the Neonate, Army Institute of Education has organised a guest lecture. Dr.Pratibha A Singh, an RCI Registered Consultant Psychologist was the resource person. The resource person has deliberated in detail on different factors that influence prenatal development, process of screening the neonate by using APGAR Screening. Participants have participated in the discussion and clarified their concerns.

More than 70 student teachers and faculty attended the programme. The learning outcome of the programme is awareness on prenatal and neonatal care.
