“ALUMNI TALK”

(17 JUNE 2022)

An engaged alumni network allows the Institute to benefit from the skills and experience of its graduates, by offering their support to current Batch students of the institution. Alumni are our most loyal supporters and best ambassadors of an Institute. Alumni can share their wealth of experience and skills with current students via talks. Further, they can help support students in work placements and in launching careers.

On 17 June 2022, Training & Placement Cell of Army Institute of Education, Greater NOIDA had organized an Alumni talk.
