

ARMY INSTITUTE OF EDUCATION, GREATER NOIDA

REPORT ON

NATIONAL WEBINAR

COMMOEMRATING DYSLEXIA AWARENESS MONTH

ON THE THEME

“STRONGER TOGETHER”

20TH OCTOBER 2023

Army Institute of Education Greater Noida conducted a National Webinar on Dyslexia as part of Dyslexia Month on October 20, 2023. The number of participants that attended the webinar was two-hundred. The event aimed to increase awareness about Specific Learning Disabilities, with a particular focus on Dyslexia, and the legal provisions, identification, assessment, and intervention strategies related to it. The event commenced with a welcoming address by Dr. Abhilasha Gautam, the Principal of the Army Institute of Education. In her speech, she emphasized the importance of understanding and addressing learning disabilities, especially Dyslexia, and expressed gratitude for the participants' presence. The webinar featured three distinguished Resource Persons; which are as follows:

Session 1: Legal Provisions for Children with Specific Learning Disability by Dr. Naveen Singh: Dr. Naveen Singh delivered an insightful presentation on the legal provisions in place for children with Specific Learning Disabilities. He highlighted the rights and support available for individuals with learning disabilities under the law, shedding light on the importance of inclusive education.

Session 2: Introduction to Specific Learning Disability and Co-Morbid Conditions by Dr. Ram Shankar Saxena: Dr. Ram Shankar Saxena provided a comprehensive overview of Specific Learning Disabilities, with a focus on Dyslexia, and discussed the co-morbid conditions that often accompany it. His presentation included valuable insights into understanding the nature of Dyslexia and its associated challenges.

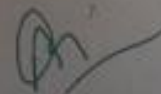

Session 3: Identification, Assessment, and Intervention for Specific Learning Disability (Dyslexia) by Dr. Anisha Sinha: Dr. Anisha Sinha addressed the critical aspects of identifying, assessing, and intervening in cases of Dyslexia. She presented effective strategies and methods for diagnosing and supporting individuals with Dyslexia. Her session was enlightening for educators, parents, and professionals in the field.

Following the speaker sessions, participants were invited to fill out a feedback form to gather their thoughts on the webinar's content and organization. Additionally, a quiz on learning disabilities was conducted to engage the audience and test their understanding of the topic. Post session Miss Komal Chaudhary, Assistant Professor at the Army Institute of Education, expressed gratitude to the speakers, participants, and organizers for making the event a success. She emphasized the importance of such initiatives in spreading awareness and knowledge.

The webinar concluded with the singing of the national anthem, symbolizing unity and patriotism among the participants.

The outcome of the National Webinar on Dyslexia Awareness Month with the theme "Stronger Together" had typically revolved around increasing awareness and understanding of dyslexia and its impact, fostering a sense of community, and providing practical insights and strategies to support individuals with dyslexia. The overarching goal of the webinar was to create a more inclusive and supportive environment for individuals with dyslexia and to foster a sense of unity and collaboration in addressing the challenges they face. It also aimed to empower attendees with knowledge, resources, and a commitment to making a positive difference in the lives of those with dyslexia.

The National Webinar on Dyslexia Month organized by the Army Institute of Education proved to be a valuable platform for educators, parents, and professionals to gain insights into Dyslexia and related learning disabilities. The informative sessions and discussions provided a deeper understanding of legal provisions, co-morbid conditions, and effective identification and intervention strategies. This event contributed significantly to raising awareness and promoting inclusivity in education, particularly for individuals with Specific Learning Disabilities like Dyslexia.
