## Disaster Management Committee

Disaster Management Club seeks to enhance the capacity of society to prevent and manage disasters and to improve the livelihood of the poor and vulnerable in rural communities through effective disaster management, social mobilization and employment generation.

### Roles & Responsibilities of the Committee

- To empower the younger generation with skills to meet the crisis arising out of Natural and Manmade disasters
- To impart a sense of disaster preparedness among the students
- To instill the values and render volunteer services if possible in the disaster affected area.
- To inculcate the spirit of collective action and joint decision making among students.
- To spread awareness about various disasters & educate students about the possible preventive measures one can take in case a disaster struck.
