## Institutional Distinctiveness

The vision of the institute is to prepare intellectually competent, socially concerned, morally upright and technically inclined teachers who act as catalyst to shape the destiny of India. Each endeavor in Army Institute of Education embodies the vision and mission of the institute. The institute aims to deliver distinctive education and to make remarkable contributions to society. Institution consistently inspires and encourages students to provide a platform for methodological skill development, ethical and human value development. Recognizing the privileged position, the institute consistently makes efforts to imbibe value system among students by organizing outreach programmes on regular basis. COVID-19 had an impact on people from different walks of life across the world. In the contemporary society, youth needs to be inclined towards community service, therefore amid COVID-19 AIE organized various events for mental wellbeing, physical fitness and to spread awareness on various social issues amongst the members of the society. During the academic session 2020-21 following events were organised by the institute:
