

NATIONAL SEMINAR ON “TRANSITION IN TEACHER EDUCATION IN GLOBAL PERSPECTIVE: RETHINKING, REDESIGNING & REVITALIZING

Call for Paper Presentation in National Seminar

1. We are pleased to inform you that Army Institute of Education (AIE), Greater NOIDA, is organizing One Day National Seminar on “**Transition in Teacher Education in Global Perspective: Rethinking, Redesigning & Revitalizing**” on Saturday 24 Feb 2018, at AIE campus, Greater NOIDA.

2. **About the Seminar**

Education is a transformational force which is very important to accelerate the progress across the world. We live in a fast ever-changing era in which economic opportunities and challenges are inevitable globally. Education system has experienced dramatic growth worldwide over the past decade in response to burgeoning demand for high-quality education with an international orientation. Teacher education is not an exception to it. For the global perspective teachers must be capable to handle all types of individual differences and classroom challenges. They need to know how to operate & integrate the tools effectively. Effective teachers maximize the potential of the technology to develop student’s understanding and stimulate their interest to improve subject proficiency.

3. This seminar is an initiative to provide a platform to educationists/ institutions to discuss the issues and concerns for the transition in teacher education in global perspective.

4. We take this opportunity to invite you on **Saturday, 24 February 2018** for the NATIONAL SEMINAR.

5. The Sub Themes for the seminar are as follows:

Sub Themes selected for the seminar are as follows

- **Inclusive Education**
- **Teacher Education Towards Current Classroom Challenges**
- **Trends and Repercussions of Privatization of Education**
