The focus was to give the student-teachers an insight about the modern aims of education. She discussed in details about the demands of today's schools.

Ms Pooja Bose, Principal, K R Mangalam World School, Greater Noida giving insights on the changing paradigms of Education.

Also, she motivated the students to be facilitators of learning in the schools and help their students to gain knowledge. Through a presentation and TED Talk Video, she oriented the students about the changing paradigms of education, where the main stakeholders, i.e. the parents are the important decision makers. Moreover, she stressed upon the importance of Divergent Thinking and Creativity in the field of education and explained how education can be interpreted as a preparation for life. It was an insightful session, and the students were participating actively.
