CIRCULAR

ONLINE LEARNING THROUGH MOOC/SWAYAM

In pursuance of the directions of GGSIPU, New Delhi vide circular F.No. GGSIPU/Registrar/Misc./2020/61 dt 30 March 2020, faculty and student-teachers of Army Institute of Education Greater NOIDA are informed to extensively make use of MOOC/SWAYAM (Massive Open Online Course/Study Webs of Active-Learning for Young Aspiring Minds) platform to cover the curriculum in addition to the e- learning platforms being currently used such as Google Classroom, Zoom etc.

Student-teachers must submit assignments allotted in each course well in time and diligently attend online lecture sessions conducted by faculty. While faculty are putting in their best efforts to ensure continuous learning, the purpose is defeated if student-teachers and parents aren't responsive and equally involved.

Please visit <https://swayam.gov.in/> and <https://storage.googleapis.com/uniquecourses/online.html> and ugcmoocs.inflibnet.ac.in/ugcmoocs/moocs_courses.php (UGC MOOC- A Vertical of SWAYAM) to gain access to free of cost SWAYAM online courses and other ICT initiatives.

Besides, each faculty and student-teacher must enrol in at least ONE MOOC course.

Amidst the difficult times of the global pandemic COVID-19, let us make concerted efforts to make the best use of time available at home to assume ownership of collaborative learning and prepare well for the forthcoming examinations, in particular and for lifelong learning, in general.

(Dr Tania Gupta)
