REPORT OF SCIENCE QUIZ COMPETITION, CURIO- CITY

03 MARCH 2020

Albert Einstein had rightly said “**Most people say that it is the intellect which makes a great scientist. They are wrong it is character**”.

On **3rd March 2020**, the Eco Club of Army Institute of Education had organized Science Quiz Competition to commemorate National Science Day 2020. The chief guest for the event was **Dr. Bharat Bhushan, scientist, Department of Science & Technology, Vigyan Prasara, Government of India.**

The competition was conducted at two different levels i.e. at school and college level. The schools that participated in the competition were **G.D Goenka Public School, Greater Noida , Amity International School, Vasundhara , Ghaziabad), Army Public School, Delhi Cantt, Holy Public School Greater Noida & Grads international School Greater Noida** and the colleges which participated were **Gautam Buddha University, Greater Noida, Jagannath Institute of Education, JIMS Engineering Management Technical Campus , Greater Noida, Hierank Business School, Noida, Ram-eesh Institute of Education , Greater Noida and Mewar Institute of Management, Ghaziabad.** The event commenced with the lamp lighting ceremony which was done by the esteemed guest, Principal AIE and faculty members of different participating teams. This was followed by the drawing of lots and the introduction of different participating schools as Team A, Team B and so on. Moreover, the introduction of rounds was done by the quiz masters in which they mentioned the different rounds of quiz such as General round, Visual round, Buzzer Round and Rapid Fire Round. After every round, there were questions for the audience as well .The Quiz Masters also made everyone familiar with the rules and regulations of the quiz.

Students from both the levels participated with high zeal and enthusiasm. During the quiz we could see the great level of curiosity among the students of both levels. It was a cut-throat competition amongst the different schools and colleges.

Nevertheless, all the teams participated with high spirit and that was one of the most important things.

After that the winners were announced for both the levels. At **the school level, the runners up** were the students of **Army Public School, Delhi Cantt**, who were awarded with the trophies and certificates. **The winners** were the students from **Amity International School, Vasundhara, Ghaziabad** who were awarded with **the rolling trophy, the** individual trophies and certificates. And, the rest of three participating school students were given the certificates of participation.

Similarly, for **the college level, the runner up college** was Mewar **Institute of Management, Ghaziabad** and **the winners** were **Hierank Business School, Noida** who were awarded with trophies and certificates. The prize distribution was followed by the **presentation on “Women in science”** by student- teachers of Army Institute of Education. In the presentation, they emphasized on the contribution of various eminent females in the field of science. The programme concluded with Dr Bhushan’s special lecture which was about Indian perspective towards women in pursuing science. He made the audience familiar with the Women Scientist Scheme and its eligibility. He also talked about the schemes that were launched on National Science Day 2020. Last, but not the least, he interacted with the students and also congratulated all the participants and the winners for their enthusiastic participation.

Lamp lighting by the guest, principal and faculty of participating teams.
