COMMUNITY SERVICE: ASSISTING CHILDREN WITH SPECIAL NEEDS

Cornerstone India Foundation is a Non-Governmental Organisation functioning in the field of education of Children with Special Needs. To provide a meaningful and dignified life to children with special needs they provide Vocational education to CWSN. Developing people with Special Need as human resource rather than a liability is their aim. They support families of PWDs to cope up with the situation of handling a person with disability.

Corner stone India foundation organised an event in which children with special needs from different parts of greater NOIDA were given opportunity to enrich their experience with different activities.

In this event 16 student teachers and two faculty members of Army Institute of Education, Greater NOIDA volunteered to organise and assist CWSN to actively participate and enjoy the different recreational and enriching activities. 16 Student teachers along with two faculty members volunteered for the organisation and conduction of the event.

The event started by 6.30 AM. The Yoga Instructor demonstrated Yoga and all participants practiced yoga. Volunteers from AIE helped children to follow steps by correcting their postures through vigilant and timely support.

To enhance body and mind through rhythm and music Zumba session was there. All people who have gathered there participated in Zumba session.

In the Talent session CWSN played musical instruments, performed solo songs and group songs

Meditation Instructor explained about balancing our ability to wish and ability to act. Even it was difficult for many of CWSN to attentively sit for meditation, the volunteers helped them to go through all the stages.
