REPORT OF FRESHER'S PARTY

B.ED. AND B.ED. SPL. ED. BATCH 2021-23

An online Fresher's Party was organized by the student teachers of Batch 2020-22 for their juniors on 14 January 2022. The objective of Fresher's Party was to welcome new students in a healthy environment and to stimulate their creative instincts in order to enhance their confidence. It's the day when seniors and juniors come together to celebrate being a member of the campus community. Students of B.Ed. and B.Ed. Spl. Ed. Batch 2021-23 were greeted with a red rose at this party, which was planned online using Microsoft Teams.

The programme began with lamp lighting and welcome speech by Honourable Principal, Dr. Abhilasha Gautam. The event was hosted by Ms. Deepa Shukla Student teacher of Batch 2020-22.

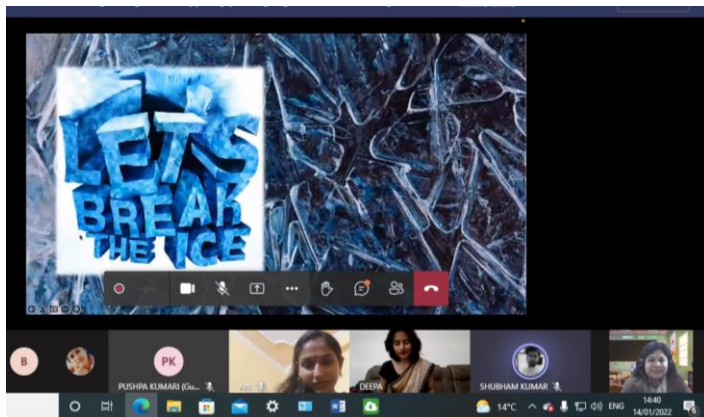

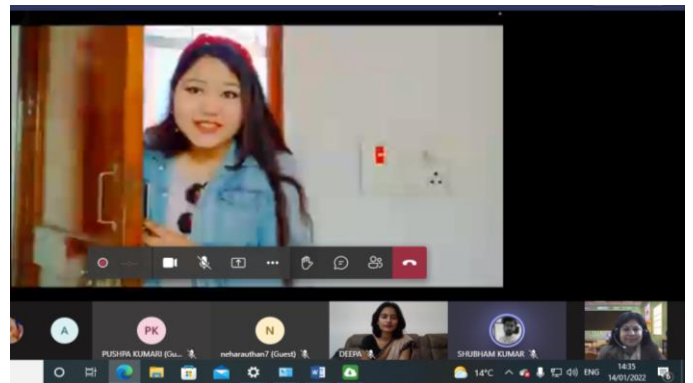

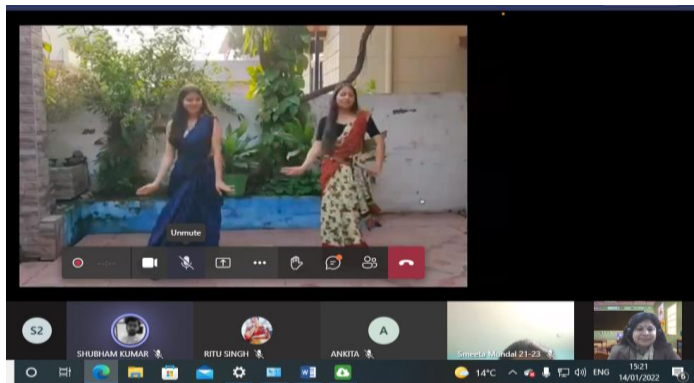

Fun activities were conducted to make the event more live and enjoyable! The first task was to guess the movie title, in which students were given emojis and had to guess the titles. Following that, a brief skit on the theme "College expectations vs reality" was staged. Riddles were set up, and everyone took part in them. There was a lot of competitiveness among the freshmen because they were all so talented!

Freshmen and seniors were given the opportunity to demonstrate their talent through a variety of dance performances, including solo, duo, and group dances. All the student (88 Students, BEd Batch 2020-22, 08 Students, BEdSplEd, 64 Students BEd Batch 2021-23 and 12 students of BEdSplEd 2021-23) along with faculty members enthusiastically participated in the fresher's party.

With the blessings of Registrar, AIE Col. Abhay Rajvanshi and a vote of gratitude by Dr. Jyoti Tiwari, Assistant Professor, AIE & Convener, the event was finally concluded. Monika Sharma and Shubham Kumar were the student coordinator of this event.
