'INTERNATIONAL SIGN LANGUAGE DAY 2022'

As we are celebrating INTERNATIONAL DAY OF INDIAN SIGN LANGUAGE 2022, as part of the ongoing activities all the student teachers of B.Ed. (2021-23) & B.Ed. Spl. Ed.(2021-23) and faculty members have participated in the online quiz organized on Indian Sign Language by AIE NSS Cell on 25-Sep-2022 and taken pledge to promote use of ISL.

The activity aims to encourage awareness about sign language as our honourable Prime Minister Narendra Modi on Sunday said that for the first time in the country, sign language is being included as a subject in academic curriculum. In his weekly radio talk 'Mann Ki Baat', he said a lot of emphasis has been given in the National Education Policy (NE) for maintaining a fixed standard for sign language, the lack of which has been a problem for long. Sign Language Day is observed on September 23. Calling for increased awareness, said the sign language campaign that began seven to eight years ago, is benefitting millions of specially-abled people. He spoke about receiving a copy of 'Hemkosh', one of the oldest dictionaries in Assamese language, transcribed in Braille. Prepared in 19th century, the dictionary was edited by eminent linguist Hemchandra Barua. The Braille edition is of 10,000 pages and will be published in more than 15 volumes.
