## 'SPECIAL ASSEMBLY ON NATIONAL Youth DAY'

12 January,2023

Students of Pratishta house conducted a special assembly on National Youth Day, 12 January 2023 at AIE Seminar hall (9:00-9:30 am). During morning assembly all the students of B.Ed. & B.Ed. Special Ed.(2021-23, 2022-24),teaching faculties were present. The assembly started with morning chants, thoughts of the day, news headlines, special activity, quiz and concluded with the National Anthem.

**National Youth Day** also known as Rashtriya Yuva Diwas is celebrated on 12 January every year to honor the birth anniversary of Swami Vivekananda. National Youth Day is a day set aside to recognize and celebrate the contributions of young people to our society.

On this day, we honor the energy, passion, and commitment of our nation's youth, and we reaffirm our commitment to supporting and empowering them as they work to build a better future for themselves and for all of us.

As young people, we are the future of our country. We are the ones who will shape our society, who will drive our economy, and who will lead us into a brighter, more prosperous future. We are the ones who will take on the challenges of our time, from climate change to social inequality to economic uncertainty.

And we are the ones who will find the solutions to these challenges, through our creativity, our determination, and our willingness to work together. But to be successful, we need the support of your community. We need the guidance of your parents and teachers, and we need the encouragement of our peers. We need the opportunities to learn, to grow, and to lead. And we need the resources to make our dreams a reality.

That is why National Youth Day is so important. It is a day to acknowledge the contributions of young people and also to recognize the work of the organizations and individuals who support them. It is a day to celebrate the potential of our young people and to recommit ourselves to helping them realize that potential.

As we celebrate National Youth Day, urge you all to take advantage of the opportunities before you. Get involved in your schools, your communities, and your country. Speak out on the issues that matter to you. And never stop striving to make a difference in the world.
