

Army Institute of Education Cleanliness Drive Report

Date: October 1, 2023

On 1st October 2023 the Army Institute of Education (AIE) conducted a cleanliness drive in collaboration with the National Council for Teacher Education (NCTE) under the "Swachhta Hi Sewa" campaign. This initiative aimed to promote cleanliness and hygiene both within and outside the college campus. The event witnessed active participation from Faculty members, NCTE members, Student-teachers, NSS volunteer, non-teaching staff & Human Touch Foundation. The presence and guidance of NCTE members added value to this commendable effort.

Events and Activities: -

1. **Pledge for Swachhta**: The cleanliness drive began with a pledge for "Swachhta" that included all faculty members and student-teachers of AIE. This pledge symbolized their commitment to promoting cleanliness and sanitation.

2. **Cleaning Campaign**: A significant part of the initiative involved a cleaning campaign. Faculty members, student-teachers, and non-teaching staff came together to clean not only the college campus but also the surrounding areas. This demonstrated their dedication to maintaining a clean environment for all.

Conclusion:

The cleanliness drive undertaken by the Army Institute of Education, in collaboration with NCTE, exemplifies the institution's commitment to promoting cleanliness and hygiene. By involving faculty members, student-teachers, and non-teaching staff, the initiative fostered a sense of responsibility and community involvement. The guidance and presence of NCTE members added credibility and showcased the importance of such efforts in the field of education. This initiative serves as a shining example of the dedication of AIE towards the "Swachh Bharat" mission and the overall betterment of society.
