2. **Vision of the TPC.**

Preparing student-teachers with professional skills and crafting new directions for enhancing their employability in various fields of education.

3. **Objectives of the TPC.**

- To guide student-teachers to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the educational institutions.
- To assist student-teachers to develop/clarify their academic and career interests, and their short and long-term goals through individual counselling and group sessions.
- To maintain and regularly update the database of student-teachers and alumni.
- To provide information to student-teachers and alumni on upcoming job vacancies in the field of education.
- To coordinate with schools and remain well informed on the requirements and recruitment procedures.
- To identify the needs and expectations of the schools to assist them in recruiting most suitable candidates.
- To organize pre-placement training/workshops/seminars for student-teachers.

- To act as a link between students, alumni, and the employment community.
- To provide career guidance through regularly updating departmental notice boards regarding competitive examinations, job opportunities in government sector, off campus drives etc.

The schools are always on the outlook for the teachers who are vibrant, energetic individuals and ready to accept challenges, attentive, having good academic background, easily adaptable to the working atmosphere, open to learning even at work and more importantly, good communication skills. This activity focuses on the personality development to make the students reliable, with a positive attitude and right decision making. Keeping in view the schools' requirements the Training & Placement Cell AIE focusses on the following aspects:

- Preparation of Placement Brochure
- Organizing Personality Development Programme
- Enhancing Communication Skills of students
- Resume Preparation
- E-Mail Writing
- Arrange Group Discussion
- Preparing preferred placement location list
- Organizing Mock Interviews
- Organizing Principal talks & Alumni Talks
- Communicating with Alumni for available openings
- Communicating with schools for campus interviews
- Sharing various vacancies across the country with the student teachers through mails.

The Training & Placement Cell plays a crucial role in locating best job opportunities for students and side by side trained them for interview, demo lesson, develop the soft skills, gain specific skills related to their subject, guide them for preparing resume. The Training & Placement Cell operates round the year to facilitate contacts between schools, B.Ed. graduates and alumni.

The task begun with the placement policy which was instituted with the approved of Chairman AIE and all the students have filled it before the commencing the placement drive.

The Training & Placement Cell also understand this concern that many students preferred the placement opportunity in their local areas so a Job preferred location list is prepared in the initial stage of placement process and tried to liaison with them.

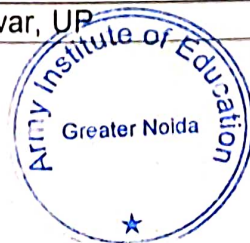

AIE considers the placement of its students an utmost important activity. Every year the Training and placement Cell publishes its achievements and student profiles in form of a Placement brochure. The brochure is circulated to all our present and prospective recruiter schools of pan India through mail and it is uploaded on the website too.

We have linkages with over 100 Schools from in and outside of Delhi NCR. We are privileged that many reputed schools approached us for hiring the best teachers and appreciated our student trainees. We always tried our level best to fulfill the expectations of our enduring schools.

Current Covid-19 situation bring the paradigm shift in education. To control the spread of Covid-19, Government of India announced the complete lockdown from 22 March 2020 and from that day onwards all schools of India were closed and classroom teaching learning shifted to the online mode of teaching learning.

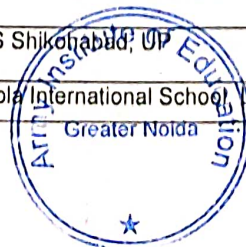

This situation affects the placement too, but Training & Placement Cell took it as a challenge and turn this situation in to opportunity. Due to online mode of interview and demo TPC tried to connect schools out of Delhi NCR and we got very positive response.

Training & Placement Cell proudly announced that despite of Covid 19 pandemic we are able to achieve the target of 100 percent placement. The highest salary 43,000 per month was offered to Ms Sadhana at Bladwin Boys' High School, Bangalore for TGT Social Science. The average salary was 23,087 per month.

TPC targeted the residential schools mainly as our student are more suitable to that environment and they offered a handsome salary with accommodation too. AIE itself a residential B.Ed. college so our students are more familiar to the residential setup and they easily adjusted over there. Residential Schools offered accommodation within school premises which is also very good for safety point of view.
