The **Eco Club** of Army Institute of Education organized an activity on **Infographics** making on 2nd February 2019. The topic on which students had to make Infographics was: **Environmental Issues**. Instructions were given by student coordinators before the commencement of the activity. Students of both the batches participated in this activity with great enthusiasm and displayed their creativity.

As truly said by **Pablo Picasso**- 'Art washes away from the soul the dust of everyday life', it was truly reflected by the aesthetic sense shown by the students, in the activity organized on this day.
