(Affiliated to GGSIP University, New Delhi)

NAAC ACCREDITED & ISO 9000:2015 CERTIFIED INSTITUTE

### **REPORT : LITERARY CLUB ACTIVITY**

**DATE: 02 FEB 2019**

The aim of Literary Club is to inculcate among the students the love for language and enhance their literary skills. It provides the platform for students to liberate their thoughts and develop skills to speak their minds in different ways. In order to give wings to their thoughts Literary Club organized **Poem and Short Story Writing on the theme of 'Education'**.

Student- Teachers of Batch 2017-19 and 2018-20 participated with full enthusiasm and portrayed their thoughts based on the theme through creative poem and story writing. The students were left free to choose the language of their choice as creativity has no specific language or boundaries. The activity brought out the writers among the student-teachers and awoke the fantasy and artistic thinking among them. As they could easily relate the theme with the relevance in the present scenario, few of their writings brought out the problems of education system while others eulogized the importance of education in every individual's life. The expanse might be vast but the creative expression through the words were appreciable. The event was well enjoyed by the student-teachers and the entries were collected by the club in charge.
