Report on 'Orientation Session on Educational Loan Facilities'

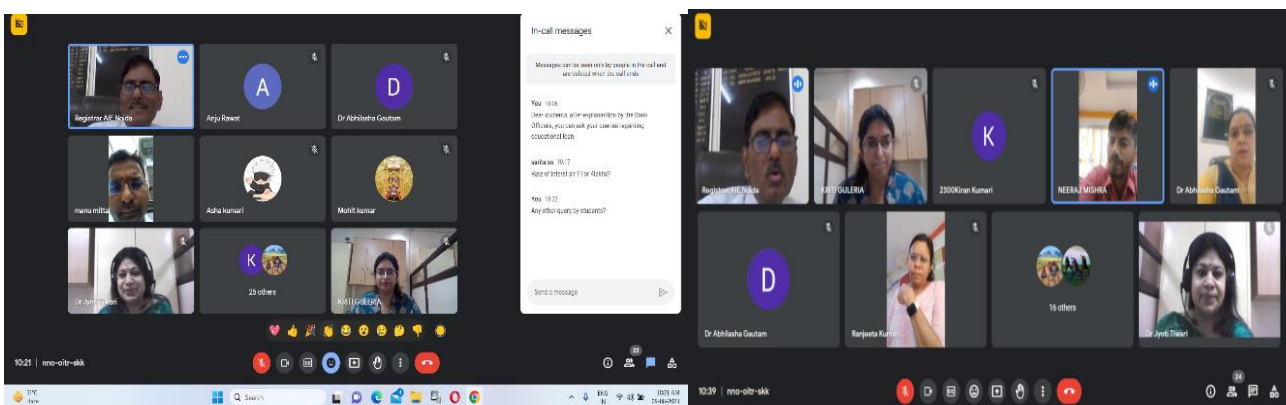

Date: 09 Aug 2023

Admission Committee of Army Institute of Education, Greater NOIDA has organized an online orientation session on Educational Loan facilities in collaboration with IDFC First Bank and Canara Bank on 09 Aug 2023 for admission aspirants of Batch 2023-25.

The objective of this programme was to provide financial assistance to admission aspirants, make them aware and compare about the educational loan facilities providing by the different banks. Bank officials Mr. Manu Mittal from IDFC First Bank and Ms. Rangeeta Kumari from Canara Bank have shared the process of taking education loan, rate of interest, list of required documents and other details in lucid manner. The focus of the entire session was to solve student's queries and give them the over view about the guidelines of taking educational loan. 30 admission aspirants who are interested to taking educational loan have joined the meeting. IDFC First Bank offered the education loan with the interest rate of 10.50% for all the students whereas the Canara Bank offered 10.75% rate of interest for girls and 11.25% for Boys.

After the orientation of both the banks Col Abhay Rajvanshi, Registrar AIE briefed students about the Educational Loan facility with the name Indian Army Educational Loan provided by the AG's Branch, AWES for wards of serving personnel. In order to encourage students to take up admission in BEd and BEdSplEd despite of their financial shortcomings the session was planned and admission aspirants were benefited with the comparative educational loan information.

Dr. Abhilasha Gautam, Principal, AIE proposed vote of thanks to all the bank officials for sparing their valuable time to guide the admission aspirants about the education loan facility.

Glimpses of the session "Orientation on Educational Loan Facility" in collaboration with IDFC First Bank and Canara Bank

REPORT ON NATIONAL WEBINAR COMMOEMRATING DYSLEXIA AWARENESS MONTH ON THE THEME "STRONGER TOGETHER"

20th OCTOBER 2023

Army Institute of Education Greater Noida conducted a National Webinar on Dyslexia as part of Dyslexia Month on October 20, 2023. The number of participants that attended the webinar was two-hundred. The event aimed to increase awareness about Specific Learning Disabilities, with a particular focus on Dyslexia, and the legal provisions, identification, assessment, and intervention strategies related to it. The event commenced with a welcoming address by Dr. Abhilasha Gautam, the Principal of the Army Institute of Education. In her speech, she emphasized the importance of understanding and addressing learning disabilities, especially Dyslexia, and expressed gratitude for the participants' presence. The webinar featured three distinguished Resource Persons; which are as follows:

Session 1: Legal Provisions for Children with Specific Learning Disability by Dr. Naveen Singh: Dr. Naveen Singh delivered an insightful presentation on the legal provisions in place for children with Specific Learning Disabilities. He highlighted the rights and support available for individuals with learning disabilities under the law, shedding light on the importance of inclusive education.

Session 2: Introduction to Specific Learning Disability and Co-Morbid Conditions by Dr. Ram Shankar Saxena: Dr. Ram Shankar Saxena provided a comprehensive overview of Specific Learning Disabilities, with a focus on Dyslexia, and discussed the co-morbid conditions that often accompany it. His presentation included valuable insights into understanding the nature of Dyslexia and its associated challenges.

Session 3: Identification, Assessment, and Intervention for Specific Learning Disability (Dyslexia) by Dr. Anisha Sinha: Dr. Anisha Sinha addressed the critical aspects of identifying, assessing, and intervening in cases of Dyslexia. She presented effective strategies and methods for diagnosing and supporting individuals with Dyslexia. Her session was enlightening for educators, parents, and professionals in the field.

Following the speaker sessions, participants were invited to fill out a feedback form to gather their thoughts on the webinar's content and organization. Additionally, a quiz on learning disabilities was conducted to engage the audience and test their understanding of the topic. Post session Miss Komal Chaudhary, Assistant Professor at the Army Institute of Education, expressed gratitude to the speakers, participants, and organizers for making the event a success. She emphasized the importance of such initiatives in spreading awareness and knowledge.

The webinar concluded with the singing of the national anthem, symbolizing unity and patriotism among the participants.

The outcome of the National Webinar on Dyslexia Awareness Month with the theme "Stronger Together" had typically revolved around increasing awareness and understanding of dyslexia and its impact, fostering a sense of community, and providing practical insights and strategies to support individuals with dyslexia.

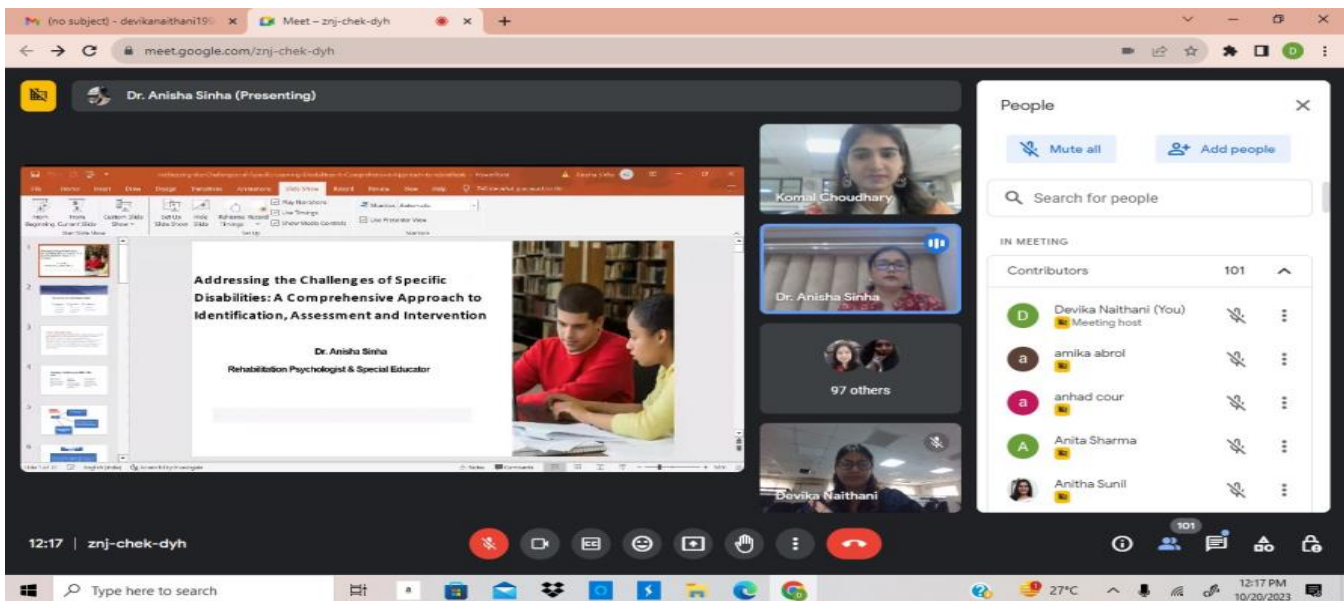

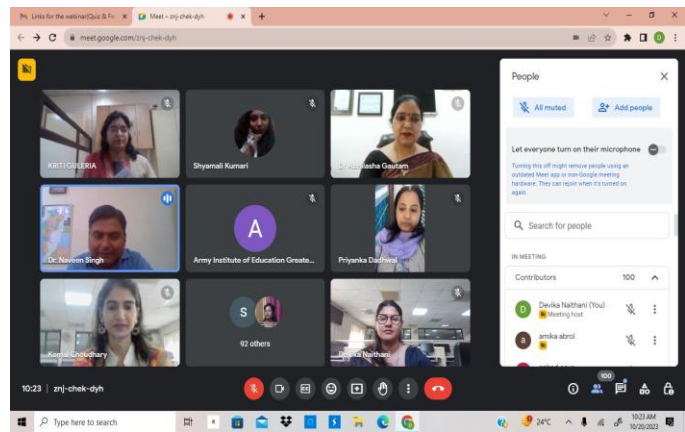

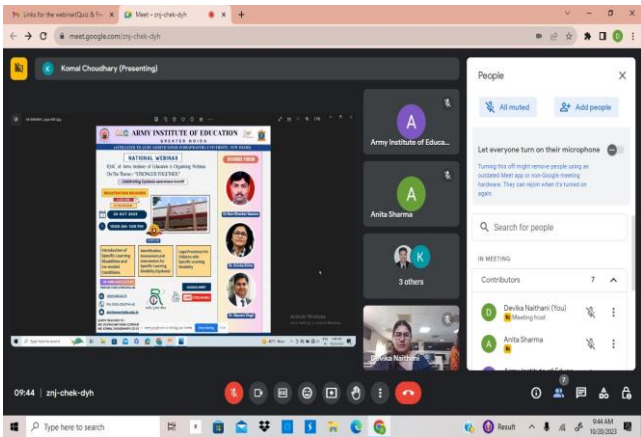

The overarching goal of the webinar was to create a more inclusive and supportive environment for individuals with dyslexia and to foster a sense of unity and collaboration in addressing the challenges they face.

It also aimed to empower attendees with knowledge, resources, and a commitment to making a positive difference in the lives of those with dyslexia.

The National Webinar on Dyslexia Month organized by the Army Institute of Education proved to be a valuable platform for educators, parents, and professionals to gain insights into Dyslexia and related learning disabilities. The informative sessions and discussions provided a deeper understanding of legal provisions, co-morbid conditions, and effective identification and intervention strategies. This event contributed significantly to raising awareness and promoting inclusivity in education, particularly for individuals with Specific Learning Disabilities like Dyslexia.

REPORT ON GUEST LECTURE ON INTERNATIONAL DAY OF PERSONS WITH DISABILITIES: 05th DEC 2023

On the occasion of the International Day of Persons with Disabilities, Army Institute of Education, Greater Noida, organized a comprehensive guest lecture to enlighten the students of B.Ed. and B.Ed. Special Education (LD), batch 2022-24 & 2023-25 on the legal provisions safeguarding the rights of persons with disabilities. The event commenced with an inaugural speech by Dr. Abhilasha Gautam, Principal, AIE, setting the tone for the lecture. She emphasized the Institute's commitment to inclusivity and the importance of understanding legal provisions to create an enabling environment for persons with disabilities. The Principal also acknowledged the significance of the International Day of Persons with Disabilities. Following the inaugural speech, Mr. Ashish Kumar Singh, District Disability Empowerment Officer, Gautam Budh Nagar, Uttar Pradesh, was warmly welcomed and facilitated by the Institute. He was presented with a planter as a token of appreciation for his dedication to advocating for the rights of persons with disabilities. He delivered an insightful lecture on the legal provisions for persons with disabilities & provided a comprehensive overview of the Rights of Persons with Disabilities (RPWD) Act-2016, elucidating its key provisions and their implications. The lecture was tailored to address the students of B.Ed. and B.Ed. Special Education (LD), ensuring relevance to their academic pursuits. The session included an interactive segment where students actively engaged with Mr. Singh, posing questions and seeking clarification on various aspects of the legal framework. This interactive approach enhanced the learning experience, fostering a deeper understanding of the subject matter.

Conclusion:

The guest lecture by Mr. Ashish Kumar Singh, served as an educational milestone, contributing to the Institute's commitment to inclusivity and awareness. By focusing on legal provisions, the event empowered the students with the knowledge necessary to advocate for the rights of persons with disabilities and contribute to a more inclusive society.

The facilitation of the guest speaker and the involvement of the Principal underscored the institute's dedication to fostering an environment that not only imparts academic knowledge but also instills a sense of social responsibility. The event, attended by all students of B.Ed. and B.Ed. Special Education, Batch 2022- 24 & 2023-25, was a meaningful step toward creating a more empathetic and understanding community within the Army Institute of Education, Greater Noida.

REPORT ON NATIONAL WEBIAR ON THE TOPIC: BREAKING BARRIERS: NAVIGATING THE LANDSCAPE OF THE INCLUSIVE EDUCATION

Date: January 24, 2024

Time: 10:00 AM to 2:00 PM

Platform: Virtual (Google Meet)

Number of Participants: 110

Organizer: IQAC of Army Institute of Education (AIE), Greater Noida

Theme: **Breaking Barriers: Navigating the Landscape of Inclusive Education**

"Inclusion is not a matter of political correctness. It is the key to growth." - Jesse Jackson.

In the pursuit of creating an educational landscape that embraces diversity and ensures equal opportunities for every learner, the Internal Quality Assurance Cell (IQAC) of Army Institute of Education (AIE), Greater Noida, organized a National Webinar on Inclusive Education on January 24, 2024. Inclusive Education is a transformative approach that acknowledges and celebrates the diversity of learners. It strives to provide equitable opportunities for all, irrespective of their abilities, backgrounds, or differences. In an inclusive educational setting, barriers are dismantled, fostering an environment where every student feels valued and supported, and where their unique strengths and challenges are recognized.

Session Structure:

The webinar commenced with an enlightening inaugural address delivered by Dr. Abhilasha Gautam, Principal of the Army Institute of Education in Greater Noida. Following this, Prof. Amitav Mishra, an esteemed figure in Special Education from the Indira Gandhi National Open University in New Delhi, took the platform as the opening speaker. His keynote address served as a focal point for the webinar, setting the tone for the discussions that ensued. The event promised to delve into significant topics within the realm of Inclusive Education, with a particular focus on the insights shared by Prof. Amitav Mishra in his role as the keynote speaker. Furthermore, each session was meticulously planned with a 45-minute talk on the respective topics, allowing ample time for comprehensive insights. The subsequent 15 minutes were dedicated to addressing queries and fostering discussions, ensuring active participation from the audience.

Speakers and Sessions:

➤ Prof. Amitav Mishra, Special Education

Indira Gandhi National Open University, New Delhi

Topic: Key Note Speaker

Timing: 1015 hrs to 1100 hrs

➤ **Mrs. Shalini Mishra Principal**

Cornerstone Foundation India, Greater Noida

Topic: Infrastructure in Inclusive Education.

Timing: 1100 hrs to 1200 hrs

➤ **Mrs. Shailee Thakur, Principal**

Asha School, Delhi Cantt.)

Topic: Community-Based Rehabilitation and Services

Timing: 1200 hrs to 1300 hrs

➤ **Mrs. Manisha Singh**

FDRC, Delhi Cantt.

Topic: Individualized Education Program (IEP) and Individualized Family Planning Services

Timing: 1300 hrs to 1400 hrs.

Learning Outcome:

• **The webinar aimed to achieve the following learning outcomes:**

- ❖ Understanding IEP and Family Planning: Participants gained insights into the significance of Individualized Education Programs (IEP) and the integration of family planning services for individuals with disabilities addressed by Mrs. Manisha Varma ma'am.
- ❖ Exploring Inclusive Practices: Attendees explored inclusive practices in education through a session by Mrs. Shalini Mishra Ma'am, providing a broad understanding of inclusive education.
- ❖ Community-Based Rehabilitation: The session by Mrs. Shailee Thakur ma'am shed light on the importance of community-based rehabilitation and services in creating an inclusive society.
- ❖ Legal Framework for Disabilities: Prof. Amitav Sir's session provided an understanding of the legal provisions and policies pertaining to persons with disabilities.

Educational Implications:

• **The webinar's educational implications include:**

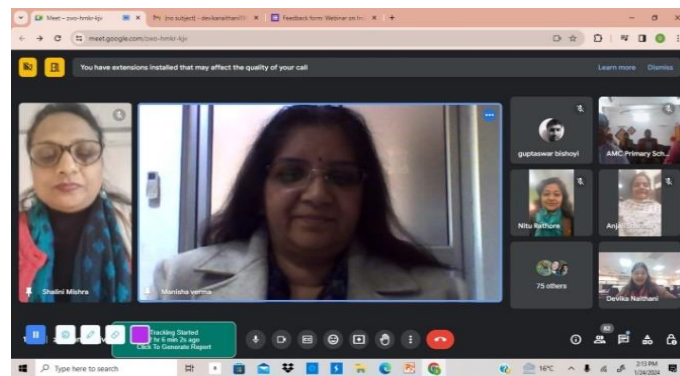

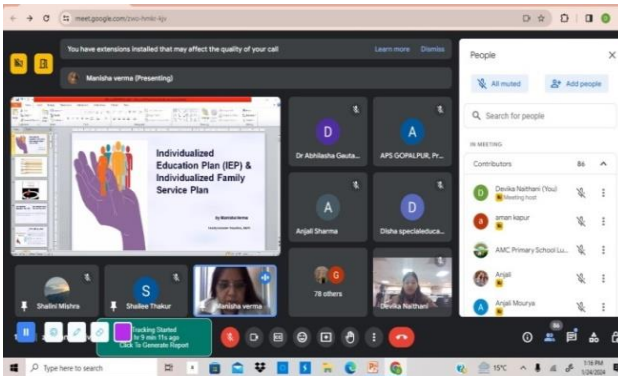

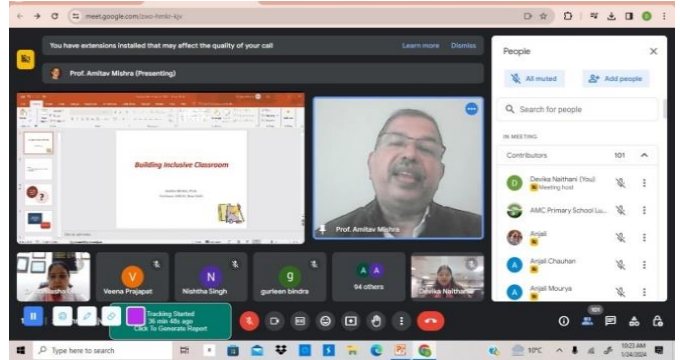

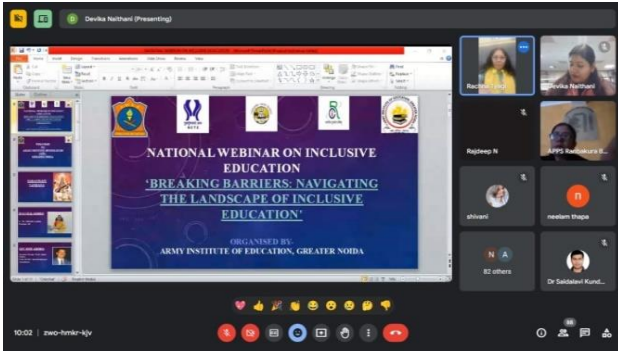

- ❖ **Enhanced Professional Development:** Educators and professionals in attendance gained valuable insights into inclusive education practices, contributing to their professional development.
- ❖ **Policy Implementation:** The session on legal provisions equipped participants with knowledge to advocate for and implement inclusive education policies.
- ❖ **Community Engagement:** Understanding community-based rehabilitation and services fostered a sense of community engagement among educators and stakeholders.
- ❖ **Improved Inclusive Practices:** The knowledge shared in the webinar is expected to positively impact classroom practices, making education more accessible to diverse learners.

Conclusion:

The National Webinar on Inclusive Education at Army Institute of Education, Greater Noida, not only addressed the challenges but also provided a roadmap for navigating the landscape of inclusive education. The event concluded with a heartfelt vote of thanks by Ms. Devika Naithani, followed by the National Anthem in sign language, symbolizing the commitment to inclusivity.

SESSION 2023-24 REPORT OF ONLINE GUEST LECTURE ON "WRITING RESEARCH PAPER"

Date: 02 FEB 2024

An online guest lecture on "writing research paper" delivered by Dr Manoj Kumar Sharma, Assistant Professor, Kanahiya Lal D.A.V. (PG) College, Roorkee on 02 Feb 2024. He provided valuable insights and practical strategies for effectively crafting research papers. The lecture covered several key topics, including:

Understanding the Research Process: The speaker emphasized the importance of understanding the research process thoroughly before embarking on writing. This includes defining the research question, conducting literature reviews, and identifying appropriate methodologies.

Structuring the Paper: The lecture discussed the essential components of a research paper, such as the introduction, literature review, methodology, results, discussion, and conclusion. Emphasis was placed on the logical flow of ideas and the importance of clear and concise writing.

Crafting an Engaging Introduction: The speaker highlighted the significance of a compelling introduction in capturing the reader's attention and setting the stage for the research. Strategies for crafting effective introductions, including posing thought-provoking questions or presenting relevant background information, were discussed.

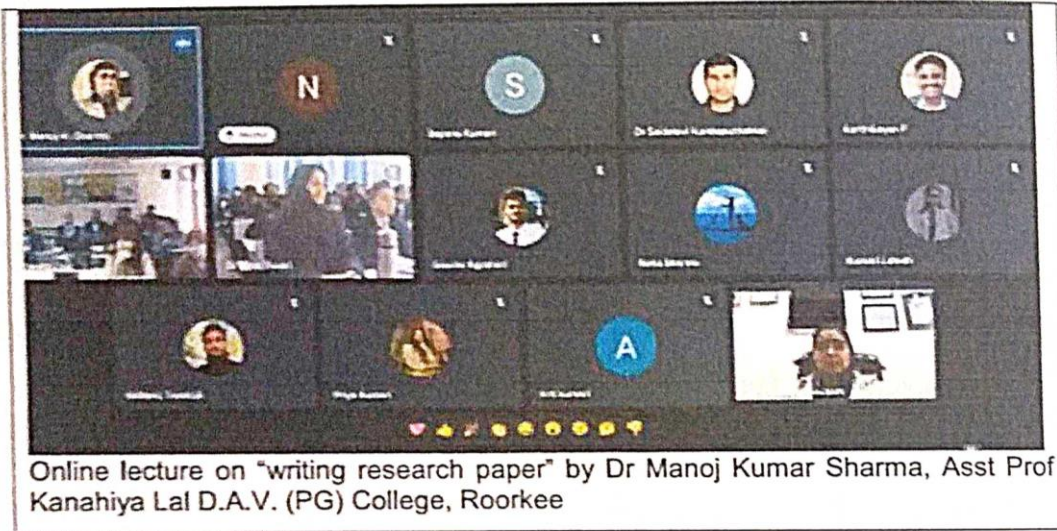

Conducting Literature Reviews: Practical tips for conducting thorough literature reviews were shared, including utilizing databases, critically evaluating sources, and identifying gaps in existing research.

Choosing the Right Methodology: The lecture addressed the process of selecting appropriate research methodologies based on the research question and objectives. Considerations such as qualitative vs. quantitative methods, data collection techniques, and ethical considerations were discussed.

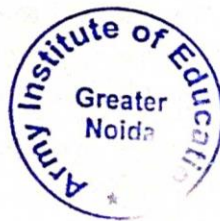

Presenting Results and Analysis: Strategies for presenting research findings effectively were covered, including the use of tables, graphs, and visual aids. The importance of interpreting results within the context of the research question and existing literature was emphasized.

Writing a Strong Conclusion: The lecture provided guidance on crafting a concise and impactful conclusion that summarizes key findings, highlights contributions to the field, and suggests avenues for future research.

The lecture was organized by Research and Development (R&D) Cell. Dr Abhilasha Gautam, Principal AIE welcomed the speaker. Overall, the guest lecture on writing research papers provided attendees with valuable insights and practical strategies for navigating the complexities of scholarly writing. After the lecture question and answer session held. Dr Saidalavi K, Asst Prof & Convener R&D Cell gave vote of thanks. Faculty members, and All Students of B.Ed., & B.Ed. Spl Edn (LD) attended the lecture.

Report: Online Webinar - Transforming Education for Tomorrow

Date: 29th April 2024

Introduction:

The Army Institute of Education (AIE), Greater Noida, in collaboration with Sanatan Dharma College, Ambala Cantt, successfully hosted a one-day online webinar titled "Transforming Education for Tomorrow: AI-Driven Personalization, Engagement, and Assessment" on April 29th, 2024.

Objectives:

- Explore the potential of Artificial Intelligence (AI) in revolutionizing the learning experience.
- Showcase AI-powered solutions for personalized learning, engaging delivery methods, and effective assessment.
- Foster discussion among educators on the future of education and the role of AI.

Target Audience:

Educators from various backgrounds interested in learning about AI applications in education.

Program Details:

Welcome Address and Chair: Dr. Abhilasha Gautam, Principal of AIE **Co-Coordinator:** Dr. Girdhar Gopal, Assistant Professor, Department of Computer Science, AIE

Session Breakdown:

Topic 1: Optimizing Education with AI (Speaker: Ms. Amandeep Kaur)

- **Focus:** Personalized learning paths, adaptive curriculum design, and streamlined administrative tasks using AI algorithms.
- **Key Takeaways:**
 - Participants learned how AI can analyze student data to recommend personalized learning experiences.
 - The session explored how AI can create dynamic curriculum plans that adjust difficulty and content based on student progress.
 - The discussion highlighted the potential of AI for automating time-consuming administrative tasks, freeing up educators' time for more strategic planning and teaching.

Topic 2: Engaging the Next Generation (Speaker: Dr. Parthiban.G)

- **Focus:** AI-powered immersive learning experiences, personalized instruction, and dynamic classrooms.
- **Key Takeaways:**
 - Participants were introduced to the concept of intelligent tutoring systems offering real-time feedback and adapting instruction to individual student needs.
 - The session showcased the potential of AI in creating immersive learning experiences through simulations and virtual environments.
 - The discussion explored how AI can facilitate differentiated instruction, catering to diverse learning styles and creating a more engaging learning environment.

Topic 3: Beyond the Grade (Speaker: Dr. Karthikeyan.P)

- **Focus:** AI-powered evaluation for automated grading, instant feedback, performance analysis, and early intervention strategies.
- **Key Takeaways:**
 - Participants learned how AI can automate grading for certain question types, saving teachers valuable time.
 - The session highlighted the potential of AI for providing personalized feedback on student work, enabling them to understand their strengths and areas for improvement.
 - The discussion explored how AI can analyze student performance data to identify at-risk students and inform early intervention strategies.
 - Participants gained insights into how AI-powered predictive analytics can anticipate potential learning difficulties, allowing teachers to adapt their teaching approaches proactively.

Learning Outcomes:

The Webinar provided key insights into leveraging AI in education. Participants learned how AI can personalize learning paths, adapt curriculum designs, and automate administrative tasks. They explored AI-powered immersive learning experiences, including intelligent tutoring systems and virtual environments, to enhance engagement and support differentiated instruction. Additionally, participants gained an understanding of AI-driven evaluation methods, such as automated grading, personalized feedback, and performance analysis, enabling early interventions for at-risk students. The use of predictive analytics to anticipate learning difficulties was also highlighted, helping educators proactively adjust their teaching strategies to improve student outcomes and overall productivity.
