## Independence Day Celebration during School Internship Programme B.Ed. Special Education Batch 2023-25 (3 Semester)

On August 14, 2024, the student-teachers of B.Ed. Special Education 2023-25 (3 sem) celebrated India's Independence Day at their internship schools. This event served as a platform for the student-teachers to demonstrate their skills in organizing activities while contributing to the festive spirit of the day. The celebration focused on engaging students of diverse needs, ensuring participation, and fostering a sense of patriotism, joy, and inclusivity. 5 students are doing internship at Billabong High International School Noida, One student is with APS Delhi Cantt and another one is with APS Patna.

**Aim-** The main objectives of the Independence Day celebration were to honor India's independence and to provide B.Ed. Spl Ed. student-teachers opportunity to apply their educational and pedagogical skills in a real-world classroom setting. The event also aimed to encourage inclusivity, cultural expression, and community building within the school.

The celebration had a positive impact on the students, promoting inclusivity, engagement, and patriotism. The diverse range of activities ensured that all students, including those with special needs, could participate in a meaningful way, enhancing their sense of belonging and pride. The event also helped to build social connections between students, creating a joyful and collaborative atmosphere. The student-teachers reflected on the day as a valuable experience in applying their teaching skills in a practical, inclusive setting. They gained hands-on experience in organizing activities that cater to diverse learners, adapting instructional methods, and fostering a supportive environment. The event also reinforced their understanding of the importance of inclusion in education and provided them with an opportunity to develop their leadership and classroom management skills.

**Learning Outcome** - Student-teachers have gain practical experience in applying their educational and pedagogical skills by organizing inclusive activities, promoting cultural expression, and fostering community building within a diverse classroom setting during the Independence Day celebration.
