REPORT ON EXCURSION TO INDIA GATE AND WAR MEMORIAL

The Army Institute of Education, Greater Noida, organized an educational excursion to India Gate and the War Memorial in Delhi on 08.09.2024, led by Assistant Professors Dr. Jyoti Tiwari, Ms. Kriti Guleria, and Ms. Komal Chaudhary. Sixty students from the BEd and BEdSplEd batches of 2023-25 and 2024-26 participated in this trip, aimed at enhancing their historical knowledge, fostering patriotism, and providing real-world context to their classroom lessons.

The journey began with an early morning departure from the institute by bus, arriving at India Gate by mid-morning. At India Gate, the students received a briefing on its historical significance as a war memorial dedicated to the soldiers of the Indian Army who died in World War I. They explored the monument's architectural features and inscriptions, reflecting on the sacrifices made by the soldiers. The group then proceeded to the National War Memorial, where they engaged with interactive displays and exhibits showcasing the history of the Indian Armed Forces. A guided tour provided detailed insights into the various battles and operations, followed by a symbolic wreath-laying ceremony to honour the fallen soldiers.

Overall, the excursion to India Gate and the War Memorial proved to be a significant educational experience for the students. It successfully met its objectives of enhancing historical awareness, instilling patriotism, and fostering a sense of community and teamwork. The trip provided a valuable opportunity for students to connect theoretical knowledge with real-world experiences, thereby enriching their educational journey. The enthusiasm and active participation of both the students and the faculty made the excursion memorable and impactful.
